Some things are too hard to pass up. Back for a second year after a radical redesign, the 2014 Ford Escape doesn't bear any likeness to the model it replaced-- it's a sleek, rakish, modern design, yet surprisingly roomy inside.. This SUV is going to fly off the lot. Come see it while it lasts! The vehicle has an EPA estimated fuel rating of 25 MPG combined. A backup camera makes all the difference when parallel parking. You better not buy until you see this Escape. Includes power mirrors for easily adjustable, always safe driving experience. This sports utility vehicle includes: steering wheel controls, convenient keyless entry, tinted/privacy glass, anti-theft system and a cabin air filtration system.
