Dealer Comments

Fill up less often! This 2018 Malibu's EPA estimated fuel economy is a high 30 MPG combined. Now is the right time to buy. A backup camera makes all the difference when parallel parking. Why look any further? An air filtration system keeps your interior smelling fresh. Why over pay? This is one of the best values around. This car's tire pressure monitoring system will save you the inconvenience of a flat tire by letting you know when your tires are losing air. Protect you and your family with the vehicle's airbags.
