Dealer Comments

Here is your chance to drive a well-kept 2011 GMC Yukon that still feels steady and familiar. This used sedan settles into the routine of daily life without fuss - easy to live with and easy to park. Tinted windows help keep the sun out on bright days, a security system gives you extra peace of mind, and the tire pressure monitoring system takes one small worry off your list. Airbags are in place for everyday protection. Take it for a drive and see how it fits.

Installed Features

- Air bags
- dual-stage frontal
- driver and right-front passenger with Passenger Sensing System (Always use safety belts and the correct child restraints for your child's age and size. Even in vehicles equipped with air bags and the Passenger Sensing System
- children are safer when properly secured in a rear seat in the appropriate infant
- child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and child safety seat instructions for more safety information.)|Air bags
