Dealer Comments
This used 2018 Nissan Altima feels like the kind of sedan that gets the little things right: warm seats on a chilly morning, easy highway cruises and the quiet cabin thanks to the cabin air filtration. Bluetooth keeps calls and music simple, the rear camera takes the guesswork out of backing into tight spots, and steering wheel controls let you change tracks without taking your hands off the wheel. Tinted windows add privacy and cruise control keeps your long runs effortless. Come see it and take it around the block.
