Dealer Comments

Meet the 2013 Cadillac XTS, a used sedan that reminds you what a luxury brand feels like on the road. Plush heated seats and a sunroof make cold mornings and long afternoons more pleasant, and the rear camera takes the stress out of tight backing maneuvers. Bluetooth keeps calls and music easy, while tinted windows add privacy for passengers. The XTS rides composed and quiet; take it for a spin and see how the vehicle fits your day.

Installed Features

- Air bag
- Passenger Sensing System
- front passenger seat|Air bags
- dual-stage frontal
