Dealer Comments
This used 2008 Lexus ES 350 feels like the sensible luxury you actually use every day. The leather-lined comfort and smooth ride make morning traffic less tragic, and the dual exhaust tips give a little confidence when you merge on the highway. Bluetooth-free listening is handled by satellite radio, cruise control keeps the long runs easy, and a tire pressure monitor plus cabin air filtration help keep things calm and composed. A luxury brand at a great value buy.
